EXPERIENCE

LOCATION: Chicago, IL

EMPLOYER: Chicago Public Schools

JUNE 2022-AUGUST 2022

MAKER SPACE INTERN

- Learned how to use machines in the school's maker space, including a laser cutter and a heat press machine.
- Utilized Adobe Illustrator to create various projects, such as a miniature version of my desk, a puzzle piece, and a custom-designed shirt.
- Lastly, I helped create various projects for the school, including stickers, puzzles, and other items.

LOCATION: Chicago, IL

EMPLOYER: Chicago Debate League

JANUARY 2022-MAY 2023

JUDGE

- Served as a judge for the Chicago Debate League, evaluating debate rounds at several high schools in Chicago and other communities.
- Provided constructive feedback to students to enhance their speaking skills and comprehension of debate topics.
 - As well as answering any questions they may have about debate, or outside of the activity.
 - Addressed questions from students regarding debate topics and current events, focusing on domestic and international political issues.

LOCATION: Chicago, IL

EMPLOYER: East Bank Club

MAY 2024-AUGUST 2024 & MAY 2025-AUGUST 2025

LAUNDRY AND SUNDECK ATTENDANT

- Worked as a sundeck and laundry attendant during the summer.
 - Learned how to work with commercial washers and dryers.
 - Learned how to work in a team.
 - Worked under pressure, whether that is physical or under a time constraint.

ADDITIONAL INFORMATION

- Awards: Seal of Biliteracy
 - Fluent in both English and Spanish
- Experience in computer languages, including Python, C++, Java, and JavaScript.
- Collaborated on an app development project with classmates, focusing on event tracking and user interaction.
 - Contributing to the development of user interfaces and backend functionality, particularly authentication using Firebase authentication and database.
- Currently working on a Website for a Sunday soccer league with a peer. I have helped develop and implement an administrator login, making it so that when an admin is logged in, they see content only available to themselves.
